WHY CHOOSE TO SUPPORT the society of **st James** >?

The Society of St James is a Hampshire-based charity that exists to end homelessness in Hampshire, person by person. Since 1972, we have provided vital support to thousands of individuals experiencing homelessness. We need your help to continue to provide these vital services and end homelessness.

We believe it's a moral human right to have somewhere safe to live and the right to be treated with dignity. We believe that people can change their lives for the better with the right help, and we believe that everyone deserves not just a second or third chance, but as many as it takes to enable them to change their lives for the better.

Here at the Society of St James, we help people in a way that understands and responds to their past experiences. Find out more at [SSJ.org.uk](https://ssj.org.uk).

INSPIRATION STATION

The following pages are full of fundraising ideas and posters. But to get you started, here are three tips to boost your fundraising:

Tip 1: Talk to Everyone

Let everyone know that you're taking part in a fundraising activity and for what cause. Having people know you're taking part in a fundraising initiative will inspire you to keep going. Plus, the more people who know, the more donations you will attract.

Tip 2: Tell Your Sponsors

Tell them what their money will fund. Knowing where their money could go may encourage people to donate. Examples include: travel to work in the first month of employment, a suit or clothes for a job interview, an ID to apply for jobs or set up a bank account, level 2 qualifications delivered in their accommodation.

Tip 3: Promote your fundraising activity

Share your fundraising events as much as you can, via social media, word of mouth, and more! We've created this **fundraising pack** full of content you can use to spread the word. But if you need more, get in contact at fundraising@ssj.org.uk.

HOW TO PLAN YOUR CAR BOOT SALE

You can either get in touch and take a collection pot or bucket with you, or you can use the QR code on the poster below to collect the contributions. Alternatively, if you decide to sell online, you can donate via bank transfer.

REGULAR GIVING

Why is regular giving important?

Regular giving provides a vital and steady income stream for charities. By setting up a form of regular giving to the Society of St James you are supporting us to deliver essential services effectively and ending homelessness across Hampshire person, by person.

Having regular monthly or annual donations allows us to budget for long-term projects, such as programme development. This stability reduces reliance on short-term grant funding and allows us to focus on our core mission without constant fundraising pressures.

Other ways you can give regularly:

- **Direct Debit:** Set up regular, automatic donations through direct debit. For more information on direct debit payments please contact fundraising@ssj.org.uk
- **Online Giving:** Use our simple and secure [Just Giving link](#) to make one-time or recurring donations online.
