WHY CHOOSE TO SUPPORT ?

the society of
st James ➤ this Christmas

The Society of St James is a Hampshire-based charity that exists to end homelessness in locally, person by person. Since 1972, we have provided vital support to thousands of individuals experiencing homelessness. We need your help to continue to provide these vital services and end homelessness.

We believe it's a moral human right to have somewhere safe to live and the right to be treated with dignity. We believe that people can change their lives for the better with the right help, and we believe that everyone deserves not just a second or third chance, but as many as it takes to enable them to change their lives for the better.

Here at the Society of St James, we help people in a way that understands and responds to their past experiences. Find out more at [SSJ.org.uk](https://ssj.org.uk).
